Workshops taught

Writing R functions

Co-taught with Alex Filazzola at the University of Toronto Mississauga Biology Graduate Student Society Fall Retreat, November 2021.

Fast-R: Improving the reproducibility and efficiency of your coding for ecology and evolution

Co-taught with Alex Filazzola at:

- Society for Open, Reliable, and Transparent Ecology and Evolutionary Biology (SORTEE) Annual Meeting, July 2021.
- Canadian Society for Ecology and Evolution (CSEE) Annual Meeting, August 2021.

We also taught a shorter version of this workshop at the Santa Barbara R Meetup in September 2021.

Side projects to help me learn new things

iNaturalist sightings Shiny dashboard

eBird sightings Shiny dashboard

Scraping ecology job postings from public job boards
